MOZAMI
SAVOR & SIP

Mozami - Where good vibes meet great food More than just a place to eat, Mozami is where people come together —to share small plates, to enjoy the buzz of a modern canteen, and to savor the best seasonal ingredients in a chic and relaxed setting. Here, creativity takes center stage. Our small plates are bold, fresh, and made to be shared —because great food tastes better together. Here, even the cocktails are made to be shared — and we've gone all out! Mozami brings the warmth of communal dining together with the high standards of modern bistronomy.
