

Charlie is a happy guy, always ready to discuss anything and everything with friends and newly met people. He is passionate about music, especially pop-rock, and collects vinyl records. He secretly dreams of being part of a band. Whenever he has the occasion, he invites his friends for listening sessions and live sets, pulling out his guitar and improvising songs to entertain the audience. He's the definition of cool, dressed down in sneakers and jeans. You can find him with a cold craft beer in his hands most of the time. In fact, he has been collecting locally crafted beers for a while, and loves to share his new finds with his friends around good music and laughs. With Charlie, you are sure to be heading for a good time!
